QR Code Link to This Post Boys size 10 Sypder Challenger Ski or Snowboard Jacket. I purchased this high end children's Spyder jacket a few years ago in Boulder CO and it kept my son warm for several seasons. It's got removable sleeves, a built in goggle wipe, and plenty of pockets for storage. Also has a built in hood. Asking \$30 will throw in his outgrown Spyder sox too. Call or text John at .
