QR Code Link to This Post Do you want fast cars and a trophy wife? Well, I did too, which is why I bought this beast. Luckily for you, I got my fast car and trophy wife. My gains are yours too because this sucker just hit the market. I think I just lost five pounds listing this baby.

It's time for me to part ways with finely engineered physique-builder. Do you want to take a stroll on the Monterey Coastal Trail? How about tuning your glutes to Cape Town, South Africa? You can do it all with this NordicTrack Elite 12.7. Can you believe 'elite' is in the name? I couldn't either until I took this puppy on a test drive.

\$500 will get you this prestigious piece of manmade machinery. Or if you don't like amazing deals you could pay \$1500 for a new one. "Like brand spanking new" for 66.7% off could change your life. What are you waiting?
