QR Code Link to This Post 2005 Ford Explorer XLT, 4.0 Liter V-6, 5-Speed Automatic, 4x4: This one is ready just in time for hunting season. This Explorer is Certified accident free by Carfax with 129,567 miles. The Carfax shows 5 total owners however reported owners 3 and 4 look to be dealer transfers as they both last less than 30 days and the last owner had this vehicle for over 2 years. It has some nice features including power windows, power door locks, heated power mirrors, power drivers seat, cruise control, AM/FM/CD JVC stereo that has AUX and USB connections, full function trip computer, 3 ROW'S of seating, and yes it has rear heat and A/C! It has the factory roof rack as well as the factory tow/haul package with hitch and wiring. Safety features include Traction Control and Roll Stability Control. Push button 4 wheel drive with HI and Lo range. The Sailun Terramax Tires it wears were manufactured the 1st week of 2016 and have more than half their original tread remaining and are in excellent condition with a few more years of use left in them. This Explorer has some new parts including a new water pump, new catalytic converter, new rear wheel speed sensor, and new rear struts. It has passed Colorado emissions and is in excellent running and driving condition due to the work done. The exterior is in pretty good condition overall with some chips and whatnot present; it certainly has seen some off road use. The interior is in good condition as well but it's not perfect. This would make a great hunting vehicle or kid hauler thanks to the 3rd row seats. This one offers a lot of utility for the money.** Winter Clearance Sale \$5,395 Marked Down From \$5,995**
