QR Code Link to This Post If you are in the market to purchase a new property it is beneficial for you to work with a Real Estate Agent!

Many buyers think that they have to pay to use a Real Estate Agent. That is NOT TRUE!

Real Estate Agents work for the buyer at NO COST to the buyer. Yes, Real Estate Agents are FREE to use when buying a property.

How is a Real Estate Agent FREE for a Buyer? Question! The SELLER pays the Real Estate Agent when the deal closes for bringing in return for bringing them a qualified buyer! The home sellers PAY!

By using a Real Estate Agent, I can negotiate with the seller to help you the buyer with closing costs so that you bring less money to closing and that can equal you thousands in savings.

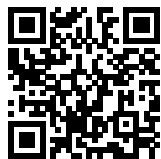

If you are looking to BUY a house, SELL, or LEASE your house please contact me to discuss your options! I would be honored to assist you with your next real estate transaction.

I cover Rhode Island only....I don't work in Mass or Ct, or any other state...Therefore I am not swamped with people in 3 states.....so I can concentrate on my clients HERE in RI! I can help you work with many lenders to quickly and easily get you financed and help with the loan and buying process; FHA, Conventional, Cash, Investment, 1st time Home buyers...

Email Me for a zero obligation, free, phone consultation on how I can help you make your dreams become a reality.
