"I quickly moved to Seattle and stumbled upon The Hawthorne during my apartment search. The location is amazing; I loved being so close to downtown while living in my neighborhood of choice" -- Resident

"I should have taken this place a long time ago because my decision was absolutely spot on! The moon is high and I'm enthusiastic about where we live. The appliance truck was great. Great units, nice view, floorplan, and more."

Been here for a little bit now and I still love it!! Love the convenience (I can walk downtown in 5 minutes)..very pleased with my decision to move here.. my apartment is clean and well maintained. Management has been great, I feel the price is very fair for the area, and really I have no complaints." -- Resident
