This is a flexible, part-time position and I can work around your class and exam schedules. Our office is located in The Vista, 5 blocks from Darla Moore School of Business.

Who we are: We are a small, local credit repair/real estate company in Columbia with a goal to expand throughout the South Carolina.

What we do: We help people who are unable to purchase a home because of low credit scores, improve their credit, qualify for a home loan, and achieve their goal of homeownership.
