"I just bought Joshua Turner's video "Sing like your Mentor".

Joshua's workshops are very helpful and informative so I knew this was going to be good. It's great! He performs the song and then breaks it down as to how to get all the power and emotion to come through your voice much more easily than I would have imagined. Already I'm finding it has built more excitement into how I want to sing. This format is also fantastic for those of us who cannot make it to regular workshops or lessons; I can go over any piece I need to at my own pace.

Thank you Joshua!"
