 If you are looking for a housekeeper that is great at what she does, someone you can trust & has reasonable prices to boot? Then you came to the right add.  
 My name is Tanya, I have been cleaning for over 17 years now & on my own for about 9 years now & loving every second of it.  
 I do houses, apartments, offices, stores, bars etc. I can do one time cleans, daily, weekly, bi-weekly, move-in/out, construction clean up's & emergency cleaning. Pretty much anything you need I can do.

I supply the cleaning products and use good cleaning products not the cheap stuff like most cleaning companies use. My price starts at 50.00\$ for a basic cleaning. I am very dependable and trustworthy and very good at what I do.

I do this because I love what I do it's just me so I don't have to over charge to pay other people so I charge what I think is fair...I am now accepting all major credit card's along with cash as payment.

The best way to contact me is through text message because I am usually cleaning someones house & don't like answering the phone while I'm with someone but I will return your call if you leave a voice message.

I hope to hear from you...
