QR Code Link to This Post Knox is a great dog. He just turned 11 months old on the first. He is house trained and kennel trained. He is fine with dogs his size or bigger, however he is not good with small dogs/animals. He does have prey drive with small animals. He is fabulous with children. He has been raised around a two year old. He loves playing fetch, going on walks, and just relaxing around the house. He is utd on shots, not fixed. An adoption fee.
