QR Code Link to This Post We have 3 female pit bull puppies who were born October 11th/12th that are in need of loving homes. They are about 95% potty pad trained. They have had their first shot & 2 dewormings. We are asking \$80 REHOMING FEE for each puppy to cover our expenses & to ensure they go to loving homes where they will be taken care of. We will not allow them to go to homes where they will be chained up outside all day, or to anyone who intends on fighting them! Putting them in an outdoor 10x10 kennel OR having them on a runner for potty & fresh air for 30 minutes a few times a day is acceptable. These are our grandpuppies, and we love them to pieces so we want their new families to treat them as family! We have had their mother (Chloe-Yellow John/American Staffordshire) since she was 5 weeks old, and she will be 4 years old on January 1st. We have had their father (Haze-Yellow John/Razor Edge) since he was 3 weeks old & very close to dying (his mother was killing off the litter & our friend asked if we could save him). We bottle fed him for 3 weeks & saved his life; he will be 4 years old on March 20th. Our babies are well loved & taken care of; they only go outside to potty & have some play time, or go for walks with daddy.
