QR Code Link to This Post Hello my name is Shannon and I am currently looking for a 2br apartment for me and my children and to move in asap. I have a full time job and have been there for 5 years, I also receive child support so paying rent and on time will never be an issue, I do have evictions due to breaking my lease to avoid domestic violence. But my mother is willing to cosign as she knows I am able to pay rent. I also need a landlord that accepts emergency rent assistance, my children and I are currently in a shelter and our time is up December 20th so I need to find something by then or we will be on the street, please someone just hear me out and know that I am a great tenant and always pay. Please email me or call
