QR Code Link to This Post We are seeking certified or seasoned auto techs for a new shop in Murfreesboro. You must have at least three years experience with references to apply. Currently seeking auto techs and shop managers. Your ability to use alignment machines, tire balance machines, tire machines, air conditioning systems as well as diagnostic equipment will give you the advantage. All mechanics should have their own tools and be willing to work Saturdays on rotating shifts. No Sundays and 8-5 Monday -Friday.

The techs will be on a 20/5 split. 20% of all labor and 5% of all parts.

Two weeks paid vacation per year plus other incentives.

We are seeking Domestic car techs as well as Foreign car techs.

Should be able to start January 2nd or sooner.

All interested please contact me at the number.
