QR Code Link to This Post Have You Written a Book (or movie) (Nashville) (I'M one of the Few that interviewed Freddie Mercury of Queen) The hard part is not writing the book, the hard part is selling your book, knowing to know which editors and publishers to approach. We welcome new and fresh writers, and women. It's all about the story. Many books are made into movies, this is best place in The USA, to send your compelling story
