QR Code Link to This Post Hey ladies! I am a female business owner in search of several female models for a new online Vintage Clothing company based out of Richmond.

The clothes that I sell vary in shapes and sizes therefore all female types will be considered. As of right now I am not sure when our first shoots will take place, however I would like to begin building a base of models that we can work with in the near future.

Please shoot me an email including a full body shot as well as a face shot if you are interested in volunteering for this effort. This is an unpaid gig however if you are interested in using the photos for personal use (portfolio etc.) we can provide you with copies. I look forward to hearing from you Gals!
