I have one male left. Typically, her puppies are about 4-5 lbs. Beautiful coats and very playful. The mother is AKC registered. The father is as well, my house burned down and so did his papers. Without the original owner I can not replace them. But he is a pure bred . He will come with a one year warranty on health. I prefer not rehoming to someone who has children under 5. People say they are good with kids, which is true. However, they are fragile as puppies and if dropped or thrown it can do serious damage. If you want the puppy for a Christmas gift I will hold it for you, but must be paid for now. First pics are most recent. last two are 3 weeks old. Both parents on premises.  
Email for prices and additional pics. He would do better with another dog, especially if you are gone all day. Serous inquiries only please.
