QR Code Link to This Post Hello, and happy holidays.

I am a 26 year old single mother with the most embarrassing please I've ever had to make.

It's Christmas season, and as the universe would have it I was involved in an accident, placing me on bed rest from work, for an undetermined amount of time.

I have scrambled everywhere I can think of to do work from home yo try and keep my child and I above water (this even included registering and working at night on a phone sex line) but I'm just not cutting it.

Truth be told, I have nothing I can offer in return for your generosity. I cannot move, I'm not crafty, I couldn't even dust a shelf if I wanted to.

Yes, you guessed it; I need help monetarily.

As I said, I have nothing to offer other than my eternal gratitude for your helping me keep food on the table and possibly provide a decent Christmas for my young child.

I can't even bring myself to post any of my public information; I'm so embarrassed.

I can only hope this falls in the sight of a truly generous and selfless person. That's my prayer, anyway.

If you can spare anything this season please shoot me an email. I would be ecstatic to provide my information from there.

Please, keep all negative opinions only to yourself. I'm aware of my worth, at the moment and I promise you I don't need reminding.

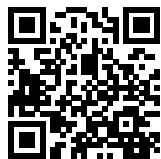

I work incredibly hard, under normal circumstances, and this has absolutely killed me.

Thank you, and God.
