QR Code Link to This Post We are a family based independent cleaning company. Our business consists of just three people, each of whom clean the home or job-site together. The goal of our business is to provide quality cleanings: weekly, bi-weekly, monthly and one-time move in or move out cleans. Partners In Grime is a pet-friendly and family accommodating business. We source all of our own cleaning supplies at our own expense, unless otherwise noted for allergies, green cleaning, etc.

Pricing is a fixed, flat rate. We do not do hourly, discounted, or free cleanings. All employees of Partners In Grime will meet with you, do a free walk-through and determine a flat rate price after discussion and review of the home or job-site.
