QR Code Link to This Post 4 pure breed female Akitas who will be ready for Christmas. Born November 10th 2018 and will be ready the Christmas weekend. I have 4 females left. PARENTS ON SITE. I prefer individuals with experience because Akitas are not typical dogs. Please do research if you have never owned an Akita. Feel free to contact me if you have questions. I will be accepting deposits for pups because they will go fast. The only male is the white one with the black marks arounds it's eyes. There are 2 all white females and 2 females that have some markings. I took a bunch of random pictures trying my best not to disturb them.Have a great day and thank you for your.
