Please contact me if:

- 1. Your band is NOT a cover band.

- 4. Your band intends to play at local music festivals and bars in the next 6 months.
- 5. You want to collaborate on original material and be creative together.

I have professional gear and 25+ years experience. I am ok with starting up a new group or joining an existing one. I like alternative and indie rock, reggae, funk, and some prog.
