

I can help you complete your projects at a very affordable price.

I have assisted many people with their ideas or unfinished music. I can make your songs, or audio projects complete and ready to go in a great sounding package.

Some of the genres I work with are: pop, rock, modern country, and reggae

Other skills include, keys, and Electric and acoustic guitar.

I have worked in many live bands, colaborations, and as a hired studio vocalist/musician.

I guarantee a relaxed, respectful, timely, and professional experience for you.

I offer the option of working online using file transfer.
