QR Code Link to This Post Professional vocals for studio recordings, music projects, commercials, and other work.
Tons of experience live and in studio, with a mid to high range voice I can handle most vocal situations: Pop, Rock, Classic Rock, Country and more.
Capable of lead and backup vocals, and can mimic or create harmonies to make a full and rich layered sound.
Other skills include: original full song and lyric writing, melody creation, spoken word, vocal and instrument arangements, special voice creation, back round keyboard and piano, drum programming, bass, electric, and acoustic guitar, plus many other on the spot talents.
I garantee timely service and easy file transfer.

You can find vocal samples at the link below.
