QR Code Link to This Post Tired of getting Christmas gifts that hold little value, break quickly, and get thrown out within the month? Ever had a dream of owning pristine acreage, setting up for the outdoor retreat, off-roading or just sitting down to relax and enjoy the mountain views?

Land can be the perfect answer.

I have a 2.39 acre parcel of land in Costilla, CO which is looking for the perfect owner. Don't have the cash to purchase land outright? Seller financing is available. Only \$50 Down and \$117.50/month makes this easy to enjoy year round.

For more information please email.
