Hip, stylish and VERY comfortable. One owner, barely used always was in a seldom used guest bedroom. Purchased from Copenhagen Store when they first started importing them in the early 1970's.

Sought-after leather color, RARE copper colored chrome finish vs. common silver chrome, marked Ekornes Norway w/Patent Numbers, comes with Ottoman and in fantastic condition!! Works beautifully.

To see it and/or buy please follow contact instructions. No emails back and forth (too many phishing spammers) prefer to answer questions and schedule purchase on the.
