QR Code Link to This Post Authentic 1991 Chicago Bulls Leathers by Universal hat good condition for age. Purchased in 1991. Few spots of wear but supposed to have not been worn just some wear from storage. There is 3 small breaks in the leather but nothing major. The front of the inside looks a bit lighter than the back as well. Also one loose thread. If price is too high at least offer because I probably won't wear this since I'm not a bulls.
