Civic is a 7month old hound mix puppy. She is an Alpha female but gets along get with their dogs...especially when they do what she wants....LOL! Civic came from our 'Maryvale 50' group which was a hoarding situation. However, she is well socialized and loves people. She is just waiting for you!

Her adoption fee is \$150 which includes spay, shots and microchip.

THANK YOU FOR HELPING PEE WEE'S PALS SAVE MORE LIVES!
