We are a local company and can provide pre-trip inspections on used containers at our Georgia and Alabama locations. No off-loading equipment is needed for customers using our delivery service. Please allow a minimum of 3-5 days once placing an order for delivery. Weekend deliveries are a possibility, call for further scheduling questions. Whether you're in the market for a bargain storage container or plan to build a tiny home or cabin, we can assist you. We welcome all questions you may have concerning containers, modifications, delivery and more. Note: Due to current market conditions, quotes received are valid for 5 business days. Need to relocate or sell a shipping container or trailer? We handle that as well; please call for more details.
