QR Code Link to This Post I have A Male pure breed German shepherd who is very protective of his owner's, He is afraid at times but is a loving and sweet male Dog, I've had him in the field with me, He knows how to search for what you want. I am Selling him because the place I am moving to I can't have pets. I really don't want to but I have to. He is Also trained in Protection, House Trained he is not an outside Dog. I will Take 800 For him will
