QR Code Link to This Post Hey all!

My name is Spencer and I am in Anchorage for the next 8 weeks visiting family. Having 5+ years in the home Remodeling/plumbing business in Houston, Tx, whatever issues or changes you may like to make to your home this holiday season we can accommodate! I'm 26 and saving up for graduate school (biomedical engineering UH) and am willing to be flexible during the holiday seasons as I know rates for these kinds of services in anchorage are through the roof. I am licensed in the state of Texas (renewed June 2017) and have seen some pretty tough situations following hurricane harvey so if you are interested in talking more or want a free quote please feel free to send me an email or call
