Greenest Junk Removal Company-
 We keep 85% of all items from going into our local landfills and ultimately Mother Earth.Â

Charitable Organizations-
 We've donated over \$500,000 in itemized donations each year to our many charitable organizations. Just topping \$3,000,000 in total.
 We donate to several local charities. Women's Shelter, GoodWill, Habitat for Humanity, VA, Homeless Shelter, Good Samaritan Center, NWA Children's Center, etcetera. And numerous churches in Northwest Arkansas.

Recycle-
 We recycle all materials not just metal. Paper, plastic, glass, rubber, cardboard, etcetera. We have a very big process at our warehouse.

<p>How It Works We take debris from anywhere in your house. You simply point and click, and load your items into our 20 cubic yard trucks. Our box trucks are perfect as moving trucks or roll off dumpsters. And we do all the hauling cheap. With our service, you DO NOT have to have your items curb side, or even in the driveway.
