QR Code Link to This Post Do you have a business you're struggling with, and need 5 star reviews on Yelp, or a product you'd like to promote on Amazon with 5 star positive reviews? I can help you! I have a verified Amazon and Yelp account, both over two years old, that I use quite frequently for shopping and reviews of my own. I only accept PayPal and charge 20 dollars per Yelp review, payment MUST be made the day I post the review on Yelp, I ask this, to avoid being scammed. I also do Google app reviews or for businesses on Google, Facebook reviews, and anywhere else you need reviews posted for 20 dollars. For Amazon reviews, I charge 15 dollars per review plus the price of the product as compensation. Compensation for product must be paid the day of, and the 15 dollar charge can be paid as soon as I receive the product and post a review to ensure it's a verified purchase. I do this to avoid being scammed as well. If you're interested in my help, please reply to this message and we can get started on helping you. Hope to hear from you!
