QR Code Link to This Post Final Phase Photography offers creative and cinematic wedding films for your special day. Our wedding photography aims to capture wonderful memories that you will cherish forever. To familiarize yourself with our services we offer engagement sessions and phone consultations to answer your questions. Call us today for more information on our combination packages that cover photography and videography.

Jasmine Wedding Photo And Video Coverage  
 Regular Price \$4,999.99 Sale Price\$3,999.99

The package includes two photographers and two videographers with a drone for 10 hours of coverage. Images are presented in an elegant gallery for easily sharing online. Footage is edited into a 10-15 minute highlight film. Unedited raw video footage of the entire day is provided. Photos are edited and sent in a private online gallery. A set of favorites can be created directly within your gallery for convenience and sharing.

Includes a 20 page photo book
