QR Code Link to This Post If you are going out of town anytime for the holidays and need pet-care while you're gone, let me know. Grad student is very responsible, dependable, and caring. Experience with dogs and cats of any size, breed, and age. If it is basic feeding, walking (or litter box), I can do an even exchange (to have roommate-free weeks/weekend), or if you need additional care such as meds/additional walking, etc, it would be \$25/day. Let me know if you need!!
