QR Code Link to This Post YourRESUMEGuy's approach begins with an in-depth interview to learn not only about your experience and skills, but also about your aspirations and the unique attributes that set you apart.

YourRESUMEGuy will then design and write a resume from the ground up, custom-tailored to match your strengths to your career goals.

In these difficult economic times, YourRESUMEGuy believes strongly that those who need help regaining their footing in the job market should be able to afford the services that they need. That's why YourRESUMEGuy matches our prices to your income goals with our sliding-scale in order to ensure that you can afford to pay for a new resume.

Please visit www.YourResumeGuy.com for complete details about our services and pricing.

Call or email today to schedule your appointment and begin the next chapter of your career success!
