QR Code Link to This Post We have a room with private bath for rent in our home. There is a dresser, small night stand and tv in the room but no bed. There is satellite tv in the room and there is wi-fi in the house. There is plenty of storage in the room and in the bathroom. You will have full use of the rest of the house and will have your own shelf in the pantry for food storage and there is also a fridge/freezer in the pantry for your use. If you smoke you must smoke outdoors. Please be mature, clean and responsible. Please no alcoholics or drug addicts. The rent is 450 for a single person and 200 more a month for a couple. Please text or call since we do not check our email very often. Hope to talk.
