QR Code Link to This Post Looking for a mature foot model, no experience required, from the ages of 30-55.

Absolutely nothing sexual, please don't respond if expecting more than pictures being taken of your feet.

These will not be posted online or shared to the public, signed agreement for the protection of your identity if that makes you wary or skeptical in any way.

I want this to be a fun experience for the both of us.

You will be modeling for an attractive 30 year old, born and raised here in Santa Cruz.

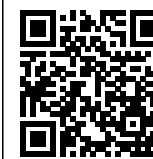

Also, would like to meet beforehand in a public area for coffee or lunch...my treat :)

Very easy gig for you, bring a friend or two and receive another 50\$ per person!

If you are interested, must reply with pictures of yourself and your feet to be considered.

If you'd like I can return the favor with a picture and brief description of myself.

Don't hesitate to respond with any questions at all...hope to hear from!!
