Absolutely nothing sexual, please don't respond if expecting more than pictures being taken of your feet.

These will not be posted online or shared to the public, signed agreement for the protection of your identity if that makes you wary or skeptical in any way.

I want this to be a fun experience for the both of us.

Very easy gig for you, bring a friend or two and receive another 50\$ per person!

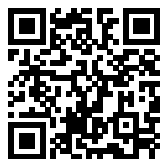

If you are interested, must reply with pictures of yourself and your feet to be considered.

If you'd like I can return the favor with a picture and brief description of myself.

Don't hesitate to respond with any questions at all...hope to hear from!!
