QR Code Link to This Post I have to have an emergency procedure done on Thursday morning. I must have someone to wait in Lobby for approx 2 hrs and give me a ride home. I am new to the area and family is not close by to help on this day. Looking for some human kindness to help with this emergency. I will pay \$100.00 to be with me from 12pm-3pm. Please email me if this is something you can do. Prefer woman to help in this.
