QR Code Link to This Post Hey, I'm an actor and model based in LA shooting a project in the Bay Area tmrw 12/11. I'm driving up today, Sunday 12/10 around 3pm and wanted to see if there was anyone in need of a ride up as well. I make the drive back and forth pretty often and I'm looking to help out and connect with others in the same position! Feel free to hit me up through email or txt since it's such short notice. I'll be leaving from Silver Lake around 3pm and can pick you up anywhere nearby. Just asking for a little help with gas and some chill vibes and we'll have a solid ride!.
