QR Code Link to This Post Laugh it up with 2 Roosters and a Chic...and sometimes a pooch, as they poke fun at each other and everything else under the tree. It's Christmas fun that includes the secret behind Santa's magical world travels. You won't want to miss our December discovery...we find out how many brain cells Dori actually has.

For best listening experience, use an external speaker system, or use your headset or earbuds...we had technical difficulties with our micro.....phone.....
