QR Code Link to This Post AVAILABLE NOW: 1BR in a 3BR house in East Palo Alto. Looking for a year commitment tenant (or shorter term if circumstances dictates)

About the room: The room is about 10'x10' in size, furnished with a full-sized bed, a desk and a chair. It also has a 2'x4' closet. It has convenient access to the backyard. Also a pet door if you own a small dog (fees apply depends on breed and size). The room shares bathroom with two other housemates.

About the house: Newly remodeled kitchen with stainless steel appliances. Furnished with smart home gadgets and large flat-screen TV. Central A/C. Very well lid through out the day. Attached garage currently used for storage. Nice backyard with a lot of fruit trees. Conveniently located near Facebook, Google, Amazon (new office), Dumbarton Bridge and Stanford Campus.

About the housemates: Age ranges from mid-late 20s. One software engineer for a nearby HR startup. Second roommate works a material science startup in the south bay. Both very chill, laid back and respectful of shared spaces. There are two house pets, one cute house cat and a standard poodle.

Utilities: 100\$/month (it's actually more due to heating but capped at \$100)
 Street Parking
 Pet allowed (to be)
