

It's a first-floor apartment of three stories Victorian building. The room overlooks the back patio facing west, and it is very spacious, bright, and quiet. Zero street noise. I live with three roommates, two guys and one girl, all in our 30's, all friendly and easy going.

Sublet includes:

- 1 bedroom
- 1 split bathroom
- Kitchen with dishwasher, microwave, appliances, cooking utensils etc...
- washer and dryer in the unit
- House cleaning (common areas only)
- WiFi

I am looking for a conscientious and fully employed individual who is clean, responsible and trustworthy.  
Must be able to provide for the full rent amount of \$700 upfront, plus a security deposit of \$600. If you are interested, please share some information about yourself (linkedin / fb).
