Pregnant and Considering Adoption?? Know someone who is?

We are a family of three who will provide lots of laughs, a safe home and unconditional love! ðŸ’–

We are high school sweethearts ðŸ’“ who are married over 12 years and parents to a little guy already! ðŸ’ª We own our own home here on Long Island. ðŸ’•¡

This would be a Private Adoption, no agency, so you can contact us directly at any time! ðŸ’±Our adoption would be with an attorney. All expenses paid! We have a completed home study! âœ…

Our hearts and home are ready for a special little one to come join our fun family! ðŸ’¶ðŸ’•¼âœ”
