QR Code Link to This Post If you are self motivated, hard working, responsible and reliable, this might be the gig for you. I am looking for EXPERIENCED, consistent, PART TIME help, cleaning houses for a small independent cleaning company in Central Denver. NO TEAMS-NO NIGHTS. Our hours of operation are M-F, 8-5, with occasional Saturday's. You MUST have your own reliable vehicle, cell phone, and be comfortable working for 6 hours at a time. I am looking for someone who shows up in their own life and is a team player. NO DRAMA--this is a real gig, with clothes on and a real paycheck. This is a great company to work for with room for advancement.

If you enjoy cleaning and have an eye for detail, please let me know what you are looking for and what your qualifications are. I am holding interviews this weekend. I require a background check and 2 current references.

Do NOT send me an email just saying you want a job. Tell me what your experience is, what your availability is and why you are looking for this type of work. If you don't give me some information, I will delete your email and move on to the next. Thank you

I look forward to hearing from you. Have a GREAT day!!!
