QR Code Link to This Post 2008 Dodge Caliber R/T 85573k 2.4. Auto with sport shift, heated seats, power windows and locks, Boston Acoustics stereo, new brakes. Good running reliable car, good on gas. I've had no issues with it other than the tire pressure sensor light. It does have an AK windshield, nothing major, I forget it's even there. Interiors in good shape.

I've had this car since July 2016, I've maybe put 2000 miles on it.

I had it stored in a heated garage last winter, and is currently in my garage.
