QR Code Link to This Post Starts, runs smooth & drives well  
 1996 Volvo 850 sedan  
 low miles - 116540 miles  
 always starts up quickly  
 4 newer deep tread Hankook Winter iPike RS tires  
 \$850 Firm.  
 priced at 1/2 of Low NADA value + it has 4 newer winter tires installed  
 I would keep this Volvo for years, if I didn't have another.  
 The Volvo 850 is well known for safety, reliability , performance & durability

Reconstruct title, just needs new plates & tags  
 the 4 snow tires alone were just under \$600  
 Fun to drive, powerful & solid  
 car runs smooth  
 Lots of strong points, but interior is somewhat rough  
 beater with a heater, but body is straight  
 comfortable front leather seats with covers & reasonably clean  
 lots of options  
 Safe Swedish steel car that always starts right up  
 good gas mileage

new Studded front tires, matched siped rear tires, all 195/65R15 iPike RS tires

only 116,540 miles  
 non block 3 door Volvo made with reputation for reliability  
 non-turbo 2.0 liter 4 cylinder  
 lots of options

\* interior is pretty rough, but the car for you if you are picky about cosmetic flaws  
 \* heater control dials are missing, but can still turn up fan  
 \* includes a replacement Volvo 850 climate control unit with all dials  
 \* roof liner & rear seat bottom are missing  
 Reinforced Volvo steel cage engineered for safety  
 it's a better with a heater from Sweden with good performance

---

Body is straight

Body was spray painted white by another owner, still looks pretty decent

This is the second to last year of the Volvo 850 model

- the Volvo 850 set many performance & safety records
