priced at 1/2 of Low NADA value + it has 4 newer winter tires installed I would keep this Volvo for years, if I didn't have another.

The Volvo 850 is well known for safety, reliability, performance & durability

Reconstruct title, just needs new plates & tags
the 4 snow tires alone were just under \$600
Fun to drive, powerful & solid
car runs smooth
Lots of strong points, but interior is somewhat rough
beater with a heater, but body is straight
comfortable front leather seats with covers & reasonably clean
lots of options
Safe Swedish steel car that always starts right up
good gas mileage

Body is straight

Body was spray painted white by another owner, still looks pretty decent

This is the second to last year of the Volvo 850 model

- the Volvo 850 set many performance & safety records
