 1996 Volvo 850 sedan
 low miles - 116540 miles
 always starts up quickly
 4 newer deep tread Hankook Winter iPike RS tires
 \$850 Firm.
 priced at 1/2 of Low NADA value + it has 4 newer winter tires installed
 I would keep this Volvo for years, if I didn't have another.
 The Volvo 850 is well known for safety, reliability , performance & durability

Reconstruct title, just needs new plates & tags
 the 4 snow tires alone were just under \$600
 Fun to drive, powerful & solid
 car runs smooth
 Lots of strong points, but interior is somewhat rough
 beater with a heater, but body is straight
 comfortable front leather seats with covers & reasonably clean
 lots of options
 Safe Swedish steel car that always starts right up
 good gas mileage

new Studded front tires, matched siped rear tires, all 195/65R15 iPike RS tires

only 116,540 miles
 on block - the car Volvo made with reputation for durability
 on-turbo - powerful
 lots of options

* interior is pretty rough, but the car for you if you are picky about cosmetic flaws
 * heater control dials are missing, but can be turned up fan
 * includes a replacement Volvo 850 climate control unit with all dials

Body is straight

Body was spray painted white by another owner, still looks pretty decent

This is the second to last year of the Volvo 850 model

- the Volvo 850 set many performance & safety records
