QR Code Link to This Post I have a 1990 Chevy Silverado 4x4 pickup that has been on a storage lot for about 15 years. The truck was running and in great shape when it was parked there, but time has taken it's toll on it.

- ~ Clean Title
- ~ Might still be a great running truck? Not sure.
- ~ We have lost the keys to it.
- ~ Passenger side door doesn't close correctly and is a mis-matched color.
- ~ Great for parts if you can't get it running.
- ~ \$700
