QR Code Link to This Post This is a beautiful and original oil painting on ornate gold frame. The painting depicts a lovely European landscape with river and mountain. Green fields and trees complete the scene. I particularly love how the light hits the tree in the foreground. Such a peaceful scene! This original painting is unsigned and age is unknown although the gorgeous antique style frame does appear to be newer. This lovely piece would look so very charming in a cottage, farmhouse, country French, English style, or any elegant home really. The painting measures 35" x 23" and with the frame it measures 46.5" x 34.5". The frame and the paint in excellent condition.
