QR Code Link to This Post Selling my Yamaha MG166cx mixer with SKB road case. In excellent condition, comes with manual. Has on board compression and effects with factory power supply, the one thing these are usually lacking. The SKB pop-up road case is TSA approved and in great shape, no breaks or cracks. Selling only because I have 2 others. Only saw minimal use for larger venues. \$300 obo. Price is fair and better than any other place on the Web where the case is almost \$150 by itself.
